PRACTICAL INFORMATION FOR ARRIVING AT SAGARDOETXEA BY PRIVATE COACH

To make your visit to Sagardoetxea as comfortable as possible, please take note of the following information regarding coach drop-off and parking arrangements.

Minibuses

Minibuses can drive up to the **entrance to Sagardoetxea**, where passengers can get on and off. The vehicle can remain parked in the same location during the visit.

Large coaches

There is not enough space around Sagardoetxea for large coaches to manoeuvre or park. Therefore:

- Passengers must be dropped off at either the **Donostia Ibilbidea – Hezegunea** stop or the **Pelotari Biribilgunea** roundabout stop.

- While the group visits Sagardoetxea, the coach must park in the **Bidebitarte industrial estate**.

The walk from either the Hezegunea or Pelotari Biribilgunea stop to Sagardoetxea is short and easy. **View the walking route on Google Maps.**

At the end of the visit, the coach can pick up the group at either of the stops mentioned above.

Special requirements

If anyone in your group has reduced mobility or you have any other special requirements, please contact the Sagardoetxea team in advance by calling **943 55 05 75**.
